## HAUPA apprentice case 2022

Start your training now with one of the two  
new HAUPA cases!

[haupa.com](https://www.haupa.com)

# READY FOR INNOVATION AND PASSION FOR OPTIMIZING SYSTEMS AND PROCESSES?

Perfectly equipped from the start in the new apprenticeship as an electronics technician for building systems integration with the HUPsmarHome service bag.

The service bag offers everything you need to actively shape digitization and the energy transition. Our tools are the perfect companion for new paths in the electrical trade.

## “HUPsmarHome“ service bag

Document compartment, compartments for tools and instruments, small pocket, big compartments, rubber loops, separate well protected main compartment for laptop and documents, additionally divided with removable centre wall. Notebook compartment up to 15". Colour: black with green stitching. Case 220292.
